Ajax-Pickering Hospital Auxiliary Supporting Healthcare Excellence

A Legacy of Service and Support

The Ajax-Pickering Hospital Auxiliary has been a vital part of the community for over 65 years, providing essential non-clinical support to patients, their families, and hospital staff. Through dedicated volunteer work and fundraising efforts, the Auxiliary significantly enhances the hospital's services and capabilities.

Empowering Healthcare through Volunteerism

The Ajax-Pickering Hospital Auxiliary is a not-for-profit organization governed by an Executive Committee. The Auxiliary's volunteers manage a wide range of services, from running the hospital gift shop to assisting with patient care in various departments. Their inclusive hiring practices ensure representation of the community's broad diversity. These efforts are crucial to maintaining the high standards of care provided by the hospital.

Engaging Activities that Transform Lives

The Auxiliary's volunteers contribute over 34,000 hours annually, supporting departments such as Emergency, Day Surgery, and Diagnostic Imaging. They also manage fundraising activities, including bake sales, raffles, and a highly successful partnership with Delta Bingo & Gaming Pickering, which has been instrumental in raising funds for critical hospital equipment.

Real-Life Impact

One of the Auxiliary's significant achievements in the past year was the purchase of Myosure Fluent equipment, enabling game-changing women's health procedures. This equipment has already facilitated numerous successful procedures, significantly improving patient outcomes. Additionally, they acquired four knee positioners for orthopaedic surgeries and three transport wheelchairs for the new Jerry Coughlan Health and Wellness Centre. Currently, they are fundraising for a specialized Transport Incubator, providing a life-saving environment for the hospital's smallest patients.

Celebrating Community Support and Contributions

The success of the Ajax-Pickering Hospital Auxiliary is made possible by the unwavering support from volunteers, donors, and the community. Funds raised through the partnership with Delta Bingo & Gaming Pickering have been crucial in purchasing necessary medical equipment and enhancing patient care. The Auxiliary extends heartfelt thanks to everyone who contributes to these efforts. The ongoing contributions from the community and charitable gaming remain essential to the Auxiliary's success and the hospital's ability to provide top-notch care.

Towards a Healthier Tomorrow

The Ajax-Pickering Hospital Auxiliary exemplifies the power of community support and charitable gaming in advancing healthcare services. As they continue to support the hospital's mission, they look forward to new successes and opportunities to serve.

This program has been made possible in part thanks to funds from *Charitable Gaming. Community Good.*
