Enhancing Experiences Through Charitable Gaming

Charitable Gaming has been instrumental in helping WSNCC expand its reach and impact. Funds raised through Kennedy Rama East and Dolphin Bingo contribute approximately \$100,000 annually, enabling the Centre to deliver life-enriching programs that are free or very affordable. These funds ensure that WSNCC can continue to meet the evolving needs of its diverse community.

Unforgettable Summer Camp Adventures

This summer, WSNCC's weekly camp trips created cherished memories for nearly 100 children. A highlight was the visit to Treetop Trekking in Stouffville, where kids explored ropes courses, trampolines, and team challenges. For many, it was their first experience at such a park—an opportunity to conquer fears, cheer each other on, and experience pure joy. With the support of Charitable Gaming, WSNCC was able to secure transportation for the trip, providing three school buses to make the experience seamless and accessible for all participants.

Strengthening Community Connections

The programs and services offered by WSNCC wouldn't be possible without the dedicated support of fundraising efforts, volunteers, and community partners. Charitable Gaming has enabled the Centre to foster meaningful connections and offer programs that uplift individuals of all ages, ensuring that cost is never a barrier to participation.

Looking Ahead with Purpose

WSNCC continues to embody its mission of creating a welcoming, inclusive environment where everyone can flourish. By strengthening its programs and services through partnerships like Charitable Gaming, the Centre is building a brighter, more connected future for Scarborough's diverse community.

This program has been made possible in part thanks to our charitable gaming volunteer fundraising efforts. *Charitable Gaming. Community Good.*
